

Managers Meeting Highlights and Takeaways

Project managers, superintendents, and administrative staff met on January 11 to hear updates on workload, marketing, safety, and focus areas for 2019. Major takeaways from the meeting included:

- New Social Media Policy
- Crisis Communication
- Disciplinary Action Policy
- PPE Compliance
- Equipment Care, Maintenance & Inspections
- Fall Protection
- Energy solution (LO/TO)
- First Aid/CPR/AED
- Safe Driving
- Office Staff Contact Review

Brian Rohlman also reported that our current work in progress is around \$33MM.

Project managers, superintendents, and administrative staff meet at the Morrilton Area Chamber of Commerce on January 11.

Company News **P.1**

Employee and Project Updates **P.2**

National Engineers Week

National Engineers week was February 18-22. government agencies. Dedicated to raising public awareness of engineers' positive contributions to quality of life, EWeek promotes recognition among parents, teachers, and students of the importance of a technical education and a high level of math, science, and technology literacy, and motivates youth, to pursue engineering careers.

We celebrated by showing some love to our local robotics clubs. We helped MIS purchase a new robot to take to the national Beta convention and also did an engineering activity with the club at Sacred Heart School.

Safety Committee Meeting

The Crow safety committee met on February 15. The group discussed 2019 safety priorities, reviewed closed calls and accident reports, and brainstormed about ideas for new safety initiatives. The committee meets at least quarterly.

Employee News

Jim Ryan

Jim joined the Crow team as an Assistant Project Manager in January and will be the on-site manager for the Bull Shoals project. Jim has more than 30 years of experience in construction.

World of Concrete

Brian Rohlman, Josh Copeland, Gary Jones, and John Dunn attended the World of Concrete show in Las Vegas in January.

WOC was introduced to the commercial construction industry in 1075 and boasts more than 1,500 exhibiting companies representing the newest equipment, products, training, and expertise to help us work smarter, faster, and more profitably.

Project Spotlight

Two Rivers School District Safe Room

Work was completed on the Two Rivers School District safe room and PE facility in Yell County in January.

This project was Crow's first negotiated CM contract for K-12 education and was completed on-time and on budget. This will open doors to more negotiated CM school work in the future.

The contract was valued at \$900K. The project manager was **Eric Ryan** and the superintendent was **Josh Mathews**.

2019 ABC Awards

Congratulations to Eric Ryan, John Dunn and the rest of the team who worked on the Blanchard Springs Visitor Center Project. The project received a 2019 Excellence in Construction Award from the Associated Builders and Contractors of Arkansas.

Crow Construction was also upgraded to the Gold Step Safety certificate from ABC for 2019. Brandon Baker will accept the certificate at the ABC convention in April.
